System Requirements:

Screenshots: Close Wake Me Up! The Other Way - White and Black Marble - A medical mystery game where the player needs to solve some puzzles and choose between some good and bad options in order to save the day. Also we make a parody of the well known movie The Butterfly Effect. The reason why we decide to remake this story is because we have had a lot of requests to remake it and we did not want to disappoint the ones that were wanting this game to come to life. The game is a co-op adventure and

features 9 different endings and
